Comments: Keep your longstanding promise to protect the wild character of the entire Wilderness Study Area until Congress finalizes its protection. This means maintaining and clarifying rules on all land-based motorized uses-including chainsaw use-and preserving the area's current undeveloped and non-motorized character.

Prohibit recreational snowmobile use in the WSA. Snowmobile use has exploded in the WSA in recent years.

Snow machines for subsistence and traditional uses may be allowed, but recreational snowmobile use is not.
