First name: Mary Ellen

Last name: Bowen

Organization:

Title:

Comments: Forest Service

Keep your longstanding promise to protect the wild character of the entire Wilderness Study Area until Congress finalizes its protection. This means maintaining and clarifying rules on all land-based motorized uses-including chainsaw use-and preserving the area's current undeveloped and non-motorized character.

I sincerely hope that this unspoiled wild land will not be spoiled but held for the enjoyment of all.

Sincerely,

Mary Ellen Bowen
