Comments: Dear Sirs,

Please recommit to preserving the wilderness character of Prince William Sound. Do not allow changes to the management plan that allow for greedy corporate interests to destroy public land in PWS. Do not allow resource extraction within PWS. Please keep PWS non motorized to the maximum extent allowed under ANLICA. Follow the 94 Exxon Valdez oil spill plan to restore PWS recreation, conservation and wilderness values. No corporate interests within PWS!

Thank you,
