Comments: Dear US Forest Service/Chugach National Forest,

Please uphold your dedication to protect the wild in the entire Wilderness Study Area. Especially important are the rules regarding ALL motorized uses.

Please recommend the 1.9 million acres of the WSA as Wilderness!

Please reverse the idea to split the WSA into two smaller units!

Please prohibit recreational snowmobile use in the WSA!

Please follow the Forest Service's Regional Office WSA direction!

This fantastically beautiful area deserves permanent protect now and far into the future!

Thanks you!
