

Data Submitted (UTC 11): 2/18/2016 12:00:00 AM

First name: Mark

Last name: Young

Organization: Alaska Marine Guides, LLC

Title: Captain

Comments: Mary,

Alaska Marine Guides stands in opposition of any changes that would not keep the proposed area of western PWS as an area of "True Wilderness."

"Please continue to manage the Chugach National Forest as it has been. Don't fix something that isn't broken."

Kind regards - Mark
