Comments: I SUPPORT AND WANT THERE TO BE A UNITED STATES FOREST SERVICE PROGRAM. I FEEL IT IS IMPORTANT TO HAVE PUBLIC LAND AVAILABLE FOR THE USE AND ENJOYMENT FOR ALL AMERICANS. I FEEL THAT IS IMPORTANT TO HAVE GUIDELINES AND PLANS THAT ARE ADMINISTERED BY THE FEDERAL GOVERNMENT. I APPRECIATE THAT CONSRUCTIVE IMPUT IS REQUESTED FROM THE PUBLIC AND THAT CONSIDERATION IS GIVEN TO THAT INPUT. I WANT THE NATIONAL FOREST TO BE TREATED AS A NATIONAL TREASURE FOR FUTURE GENERATIONS TO ENJOY. I WISH YOU DIDN'T NEED TO CUT DOWN SO MANY TREES AND THAT LIVESTOCK DID NOT RUN AROUND ALL OVER IT DAMAGING THE UNGROWTH AND SPREADING NOXIOUS WEEDS INTO THE PRISTINE DEPTHS OF THE FOREST. I DO NOT WANT THE RESPONSIBLITY OF CARING FOR OR THE OWNERSHIP OF THE NATIONAL FOREST TO BE TAKEN OVER BY LOCAL, COUNTY OR STATE GOVERNMENT.

IF CREDENTIALS ARE REQUIRED: I HAVE LIVED IN STEVENS COUNTY FOR 60 OF MY 68 YEARS. I ENJOY THE NATIONAL FOREST FOR HUCKLEBERRY PICKING AND FOR OPPORTUNITY IT PROVIDES FOR ALL OUR CITIZENS TO ENJOY THE OUTDOORS AND WILDLIFE.

MOST SINCERELY, SUSAN CHAMBERLIN
