Dear Colville National Forest Plan Revision Team,

Thank you for the opportunity to comment on the revised Colville National Forest Plan.

I hike when possible in the area and want to preserve it for my grandchildren and the creatures who inhabit the forest.

In general, I support the Forest's Preferred Alternative (Alternative P) but it should provide more recreation resources. It needs more areas that include nonmotorized trails and that these trails, as well as the roads that lead to them, are well maintained.

I would like the final plan to include increased recommendations for wilderness designation. The areas that should be considered for wilderness protection include Bald Snow, Abercrombie Hook and the Salmo Priest Adjacent Inventoried Roadless Areas as well as Thirteenmile & Cougar Mountain, Grassy Top, Hall Mountain and Quartzrite Inventoried Roadless Areas.

Sincerely,

Peggy
