Dear Colville National Forest Plan Revision Team,

Thank you for the opportunity to comment on the revised Colville National Forest Plan.

As a backpacker and hiker in the area of northeastern Washington I would like to see it protected from further development and the recreational opportunities enhanced. Please add more non-motorized trails and enforcement of this. Also, I would like to see increased wilderness designations and roadless areas.
thank you, Douglas W. Scott

Thank you

Douglas W. Scott
