Comments: To whom it may concern,

Please allow the building of the above listed trails on Snow Summit's permit area(as well as other trails outside the ski area)

Snow Summit and the SBNF are unique, with over 30,000,000 possible visitors with a 3 hour drive.

Most resorts in other locations throughout the US, with much less population, seem to have no problems building trails inside resort permit areas and outside in the USNF, we should be able also, but even more so.

Thanks for your consideration and taking comments.

Regards,

Jeff Sayegh
