First name: Ernie

Last name: Medina

Organization: Trip4Kids - Loma Linda Chapter

Title: Interim Director

Comments: I fully support more trail development in the Big Bear region. Trip4Kids is a new chapter here in the Loma Linda area, and our mission is to bring inner-city kids into nature via mountain bikes, so having a wider selection of trails would make it more accessible for these newbie riders.

I'm also a head coach for our NICA Socal League mountain bike race team, (Redlands Homeschool), and it would be great to have more trails for the kids to ride on, both for fun and training.

Finally, I'm also a member of IMBA, the national advocate for mountain bikes, so would appreciate properly developed trails to discourage rogue trails being made that increase erosion and harm to the environment.

For these reasons, I fully support more trails developed by responsible organizations.

Thank you!

Ernie Medina, Jr.
