Comments: Wilderness

Please protect more of our forests by turning them into wilderness areas. So many times we have been hiking, camping, etc. and seen remains of destruction by humans. Hopefully by turning them into wilderness, and or putting up "non access " fences/gates/signs will help detour a certain type of person.

My family has been coming up to the Kettlecrest and Hoodoo areas for centuries. We have enjoyed/respected it for many years. Hopefully it will be preserved for many generations to come.

Thank you , Sheri Axel
