Amy Dillon, Forest Plan Revision Team Colville National Forest

Colville Supervisor's Office 765 S Main

Colville, WA 99114

My review of the Colville National Forest Revision Plan comes after much thought about which option would best address the need to compromise with all participants, while continuing to protect, manage and maintain the federally owned lands so many have come to love. I am not an expert on forestry, I am convinced that Option P. is the best option if the 21" log size is continued.

Again, thank you for all you do. Please contact me with any questions, Again, thank you,
