First name: John

Last name: Thompson

Organization: Midnite Mudders 4wd club

Title: Region 4 delegate for pnw4wda

Comments: Dear sir or madame I'm writing to voice my opinion on the little crow restoration project #46306. I am disabled and have no other way to enjoy the beautiful mountains of the northwest, I have been using existing roads and trails with my daughter since she was 4 she is now 14. there can be and must be a balance of preservation and responsible use.
