I would like to suggest that road 745 be kept open or at least a portion of it so that we can maintain access to the checkpoints and have emergency access to these points as needed during all types of sport and recreational activities. (hunting, UTV, ATV, motorcycles, 4x4 jeeping, hiking and horse back riding,and emergency fire fighting)) off these roads you want to close.

Thank you for your work on this project and taking the time to look at these comments.
