Comments: To Whom It May Concern:

As a 'concerned citizen' of this tremendous state, I ask that you listen to the many comments of RESIDENTS of Montana and do what is required to allow, and encourage, multiple use of our forests and our lands. That the forests especially have been allowed to reach their current state of infestation and overgrowth, is deplorable. It benefits no one.

Please do all that is possible to allow for the MULTIPLE uses of the lands that belong to the residents of Montana.

Thank you.
