Comments: Comments of the Cultural Historic Report:

Appendix 2 Priority List does not include the Squaw Creek (Shenago)Administrative Site. If this is on purpose, I would like to know why.

The References section should include Bolton J. and Hubber Ann, 1990. National Historic Places Registration Form for the Squaw Creek Administrative Site.(If you can not find your copy, one is on file in the State Historic Officers office in Helena.

In the cabin rental discussion, you should include that the Little Bear Cabin on the then Gallatin Ranger District (Now part of the Bozeman Ranger District) was the first rental cabin. I started the cabin rental program there in about 1977-78. Contact me for questions.
