Comments: I fully support the proposed improvements at Golden Peak.

The project furthers the USFS mission "Caring for the Land and Serving People" and is compatible with its 13 guiding principles.

Protecting and managing the National Forests and Grasslands so they best demonstrate the sustainable multiple-use management concept.

We use an ecological approach to the multiple-use management of the National Forests and Grasslands.

We use the best scientific knowledge in making decisions and select the most appropriate technologies in the management of resources.

We are good neighbors who respect private property rights.

We strive for quality and excellence in everything we do and are sensitive to the effects of our decisions on people and resources.

We strive to meet the needs of our customers in fair, friendly, and open ways.

We form partnerships to achieve shared goals.

We promote grassroots participation in our decisions and activities.

We value and trust one another and share leadership.

We value a multicultural organization as essential to our success.

We maintain high professional and ethical standards.

We are responsible and accountable for what we do.

We recognize and accept that some conflict is natural and we strive to deal with it professionally.

We follow laws, regulations, executive direction, and congressional intent.
