Comments: I would like to express my support of the Gold Peak expansion. There are many reasons to say yes but here is a significant statistic not to be overlooked. In the recently published Town of Vail in Review report for 2016, residents were asked what are the top community priorities. "Economic vitality (investing in facilities, services and events to keep Vail competitive) was the second most important objective behind workforce housing.

The Gold Peak expansion will help the residents with this objective. There could be many opportunities for Vail to get exposure and increased business if this project goes through.

Thank you.
