Comments: I have been in the valley for 26 years. I am raising three children here. My oldest child started racing with SSCV at the age of 9. He earned a ski scholarship with Rocky Mountain College. His college team has won Nationals two years in a row. My Daughter started racing at SSCV at the age of 6 years and has a ski scholarship at Sierra Nevada College. My youngest is at the ski academy and racing with SSCV. He is a sophomore in high school and just made junior nationals. I am for the Gold Peak expansion and feel it would be a great asset for our local children to pursue their dreams. Without ski racing my children wouldn't have been able to afford to attend their colleges of their choice. It would be a great asset to our community.
