Comments: I truly believe this expansion will launch Vail into a new stratosphere in regards to performance venues specific to winter sports. Already providing the best coaches, Ski Club Vail will now have the venue to produce world class athletes in all disciplines. This expansions project will not only bring prestige to Vail, but also Colorado. Not to mention the ability to host many more National competitions will bring more tourism to Colorado and Vail. Think of the branding and recognition Colorado has achieved through athletes like Mikaela Shiffrin and Lindsey Vonn - do we want to sit back and let somewhere else develop the training facilities those athletes would prefer? Thanks for taking the time to read this.
