First name: Russ

Last name: Meyers

Organization: Vail Resident and Father of 3 kids in ski club

Title:

Comments: I support the expansion project as outlined. My wife and children all to to. Change is difficult with the concern for what have we missed or over sought. It think this change can really only be positive. We all want to grow and if not growing then you can rationalize deing or minimally going backwards. Lets stay progressive and grow in a good direction.
