First name: Johnny

Last name: Law

Organization:

Title:

Comments: Please do not expand the terrain on Golden Peak. This is not for the general public for which the Forest is designated for; this is purely for a dying ski racing club. Do not remove a shrinking habitat from the creatures which we have already displaced enough.

For the people who already recreate in that area, are they no longer allowed to enjoy?

Will Vail Mountain control and displace the people who enjoyed utilizing the access in that area?

Best,

Johnny Law
