Comments: I AM NOT IN FAVOR OF THE PROPOSED INCREASE ON THE POWER LINE AND INCREASE OF THE EASEMENT ON WARM LAKE ROAD!!! I DO NOT WANT MORE ELECTRICITY RUNNING OVER MY PROPERTY, LET ALONE THE DECREASE IN PROPERTY VALUE THAT GOES ALONG WITH THIS FARCE!!! THERE ARE PLENTY OF OTHER OPTIONS OPEN TO MIDAS GOLD OTHER THAN THIS PROPOSAL. BEING A LONG TIME RESIDENT OF VALLEY COUNTY, I AM APPALLED AT THE PROPOSITION THAT THIS FALLS UNDER "EMINENT DOMAIN"!!! I WORK ON THE RADIO IN THE McCall AREA, AND I WILL DO MY VERY BEST TO GIVE MY PERSONAL EDITORIAL OPINION TO VOICE MY OUTRAGE ABOUT THIS GROSS MISCARRIAGE OF THE ABUSE OF POLITICAL CONTROL BY AN INDEPENDANT BUSINESS INTEREST OVER THE GOVERNMENTAL INFLUENCE OF VALLEY COUNTY AND THE FOREST SERVICE!!! I WILL let the people of Valley County KNOW how the interests of "big business" has now taken hold of the forest service, and that the private land owner is becoming the VICTIM of the profits of the corporate interests in our area!!! If Valley County is becoming a victim itself, of corporate interests, you can bet,... I will NOT go down quietly!!! I WILL have my say about it, and I WILL sway public opinion about MIDS GOLD!!!
