Comments: After attending the public meeting held in Yellow Pine on Monday, July 17, 2017, I wish to express my concern and opposition to the part of the plan dealing with the accessibility--or lack thereof--to Thunder Mountain and Roosevelt from Yellow Pine. The current plan to provide access only via the Burnt Log road will result in a severe negative impact to the town and businesses of Yellow Pine as not only mining traffic, but also visitor traffic would be curtailed. I would strongly support an option to keep the road to Stibnite open past Sugar Creek, perhaps making an adjustment to the Roadless Area, if necessary.
