Subject: Tracy Ridge Shared Use Proposal

Sent from Mail <https://go.microsoft.com/fwlink/?LinkId=550986> for Windows 10

This written letter is submitted in OBJECTION to the proposed Tracy Ridge Shared Use project.

This project should NOT be approved. The area is currently a hiking only wilderness area and this type of area is very limited within Pennsylvania. This area should be protected and preserved.

Allowing any development an/or vehicles (including bicycles) to access this area will deteriorate the natural beauty of this area and cause environmental erosion by their traffic.

I strenuously urge the US Forest Service to deny this proposal and preserve this beautiful area.

Tim Richards, 194 Wetmore Trail, Kane, PA 16735

If this letter is being submitted to the incorrect address for OBJECTIONS, please advise of the correct email address.

Sincerely,

Tim Richards
