Comments: As a member of the Tucson Dual Sport Club and Trail Riders of Southern Arizona Dirt bike riders deserve to have single track trails around Tucson just like bicyclists and hikers.

I often ride on the ATV trail in Redington and would like to see single track throughout Southern Arizona.

This new trails system is in an area that is seldom used, it uses already disturbed ground, and the maintenance would be minimal.

As a member of a dirt bike club I would gladly volunteer my time to help keep these trails maintained.
