Title:

Comments: YOU SHOULD NOT ALLOW OIL DRILLING IN THE RUBY MOUNTAINS. IT WILL HAVE A BAD EFFECT ON THE WILD LIFE, THE WATER, THE RANCHES.
THERE WILL BE ROADS ALL OVER THE MOUNTAINS DESTROYING THE VEGITATION.

ENOUGH LAND IN NEVADA HAS BEEN DESTROYED BY MINING. DO NOT ALLOW ANOTHER BIG INDUSTRY IN TO DESTROY MORE OF THE LAND.

OIL DRILLING WILL NOT BRING THAT MANY JOBS TO THE LOCAL PEOPLE. THE OIL COMPANY'S WILL BRING IN THEIR OWN EMPLOYEES.
