First name: Jesse

Last name: Reeves

Organization:

Title:

Comments: Please reconsider the long term impacts of allowing for drilling and further development of the Ruby Mountains. The long term effects will be nearly impossible to undo. As an avid outdoorsman, the Ruby Mountains truly are one of the most pristine and beautiful places in our State.

I ask that this lease permit not be given to the interested parties. There needn't be a dollar value put on all of our public lands.
