Comments: Don't Allow Fracking in the Ruby Mountains

Dear Ms. Elliott,

I urge you not to permit any leasing for oil and gas in the Ruby Mountains. Non-surface occupancy stipulations do nothing to protect the precious aquatic resources from the harms of fracking. The only way to protect the fragile resources of the Rubies is to forbid leasing on all of these parcels.

How much more land needs to be ruined before we get it?

Thank you,

EMILY NELSON
