Comments: To Whom It May Concern,

My name is Jilyn DeBray and I highly oppose the development of this land. I grew up in Spring Creek, NV where the Ruby Mountains are the most beautiful backdrop to my family's home. There aren't many options for recreation in this area of the state, but the Rubies and Lamoille Canyon are the one thing that I can boast about to those who aren't familiar with the area.

I have hiked many of the trails in the summers and enjoyed many winters snowmobiling with my family. I even got married up in Lamoille. To develop these beautiful lands for oil would be a travesty.

I strongly urge you to preserve these beautiful lands for current and future generations.

Sincerely,

Jilyn DeBray
