RE: Ruby Mountains Oil and Gas Leasing Availability Analysis

Dear Ms. Elliott:

The Thomas Canyon Cabin Owners Improvement Association (TCCOLA) consists of the owners of the twelve cabins in the Lamoille Tract, Recreational Residences. As frequent visitors, users, cabin owners, and special recreation permit holders, we have an interest in the land management decisions with respect to the Ruby Mountains.

As an association, we don't have any specific comments at this time. The individual members will be submitting their comments directly to the Mountain City-Ruby Mountains-Jarbidge Ranger District. However, we do request that any future notifications or actions regarding the Ruby Mountains Oil and Gas Leasing Availability Analysis be sent to us at the mailing and/or e-mail address at the top of this letter.

Sincerely,

Gary N Back

President, Thomas Canyon Cabin Owners Improvement Association
