Comments: Ruby Oil and Gas

Hello, My name is Beau Nyrehn and I am lifelong resident of Elko and Spring Creek. After looking at the map and plans for the exploration, I would like to strongly oppose any exploration in the Ruby Mountains. There is more than enough land out there to explore that I feel ruining the natural order of such a majestic area is not worth the trade off for what it's worth. I feel that we cannot take our elders and handicap into Wilderness areas on established roads that have been closed off, why should oil exploration be allowed?

Please use my name and voice to disagree with any moving forward on this matter.

Thank you,

Beau Nyrehn
