Comments: It's Up To You To See That Migratory Buffalo Have A Place and a Secure Future on America's National Forests

To: Mary Erickson

Forest Supervisor

Custer Gallatin National Forest

- * Use the best available science to ensure a place for migratory buffalo on America's National Forests.
- * Adopt standards to manage habitat on America's National Forests to support viable populations and genetic diversity of migratory buffalo.

- * It's up to you to see that migratory buffalo have a place and a secure future on America's National Forests.

Thank you,

Ms Aggie Monfeet
