Comments: Lisa Scharin commented on a link Custer Gallatin National Forest shared.

Lisa Scharin wrote: "I cannot attend any meetings about the Forest Plan-but I do want to comment for the record that I want the Buffalo to be included as a focal species and worth conservation concern-they have been named Americans Heritage Land Mammal and should be respected and left to migrate the paths and territory they have for centuries WITHOUT the threats of traps set by both rangers and livestock interests! The livestock industry should NOT have jurisdiction over how Buffalo are "managed" and rangers working for Government agencies within the Park system should NOT be helping them round up Buffalo to ship to slaughter!!! STOP the shipping and slaughtering of Buffalo-let them live free from human harm- Montana and Yellowstone now have a bad reputation because of this vile treatment of iconic Buffalo and many-including me-will NOT visit there until Buffalo are SAFE and PROTECTED!!!!!!" - Reply to this email to comment on this post.

I cannot attend any meetings about the Forest Plan-but I do want to comment for the record that I want the Buffalo to be included as a focal species and worth conservation concern-they have been named Americans Heritage Land Mammal and should be respected and left to migrate the paths and territory they have for centuries WITHOUT the threats of traps set by both rangers and livestock interests! The livestock industry should NOT have jurisdiction over how Buffalo are "managed" and rangers working for Government agencies within the Park system should NOT be helping them round up Buffalo to ship to slaughter!!! STOP the shipping and slaughtering of Buffalo-let them live free from human harm- Montana and Yellowstone now have a bad reputation because of this vile treatment of iconic Buffalo and many-including me-will NOT visit there until Buffalo are SAFE and PROTECTED!!!!!!
