First name: Mary

Last name: Holder

Organization:

Title:

Comments: Please don't increase motorized use in my forest. I have lived in Crested Butte for forty five years. I am an avid hiker and sometimes mountain biker. I enjoy the silence. I see thousands of others enjoying the silence. There are plenty of trails for motorized users at Hartman Rocks, up Taylor Canyon, and way up Cement Creek. Please keep the closer to home, easy to access trails for the many non-motorized users.thank you, Mary Holder
