Comments: Draft Assessment comment - Areas of Tribal Importance

Hi,

In the Tribal assessment on page 20, the title of the appendix makes it sound like the appendix might be a direct quote from the referenced paper or at least it is a summary of information found in that referenced paper. Now maybe I'm not looking at the right paper ... but when I look through what I believe is the referenced paper at:
http://www.dargnet.org/new/PDF/ute_ethno_perspectives.pdf
I find no mention of any of the list "corn, beans and squash" as mentioned in the 3rd paragraph on page 20.

There's also no mention of GMUG in the paper.

Do I have the wrong version of the paper, or is this a summary of information from multiple sources and not just the DARG 2010 paper?

Regards
Janice Shepherd
