Comments: I am respectfully requesting that BLM would NOT designate more area's in Western Colorado as "Non-motorized" such as in the Kinikin/ Buckhoren trail area.

I am an avid Jeepster and mountain biker. The two can co-exist. Limiting certain trails would prohibit those who can only travel by motorized vehicle to enjoy the outdoors, such as the elderly and physically handicapped. The Western Slope is special to my family and is much different than the Front Range. Older friends of ours were not physically able to enjoy our trip this past summer on a mountain bike. Therefore, my wife and I took our friends out in our Jeep.

Therefore, from my point of view, I see nothing broken that needs fixing. Please keep our BLM open to all. Thank you for your time and considering my point of view.
