Organization: Rocky Mountain Enduro circuit

Title: Promotional advertising & communication

Comments: The Rocky Mountain enduro circuit has over 375 members all of whom support TPA and Covco; riding on designated trails in Colorado is what makes us tick and where we spend our time and money Our circuit holds 14 to 18 races many of which are in Colorado. RMEC supports all motorized singletrack trail Preservation endeavors and one of our most important missions is to secure and protect Colorado's motorize trail systems, including said proposal which is why our circuit with all of our members supports this motorized trail project
