Comments: Hello,

I am writing to address the usage of trails in the Gunnison, Grand Mesa and Uncompahgre areas. I love living in this area because of the beauty of the outdoors. I use trails for hiking, and mountain biking, but mostly I do these activities to connect my soul to the world around me. I respect that these lovely outdoor spaces are used by many recreationalists, but have a fondness for the tranquility the great outdoors provides for me and my family. I chose to ride my bike and walk, I feel it makes a minimal impact and preserves the peacefulness. Thank you for taking my opinions into consideration. I appreciate you.

Sincerely, Heather Tomcak
