Comments: there has been a lot of logging in canada and Russia its been not in my back yard for 25 years
iwould recommend logging for community meaning no corp logging like Weyerhaeuser gp or ip this means smal
operators from that community who live in that area and hire from that area the town's in the West have become
drug infested community's this is what the spotted oil lie has brought us it was created by Weyerhaeuser for
Weyerhaeuser to control the lumber they couldn't compete with the f Fed old growth TIMBER FOR COMMUNITY
IT WILL BE THERE FOREVER But not good for the money grabbing polititicans that get but pay to play money
