Subject: Greenwater

I am writing to let you know that my whole family is upset about the potential closing of access to the Greenwater area. Since the snow started melting, we have already been up there about once a month, and we were planning to head up there over and over during the summer. Please don't close down our access to these hiking areas. If this is about money, which I'm sure it is, then charge a yearly fee.

Megan Hochstrasser
