Comments: Comments Draft Plan - CGNF

Hello,

My name is Loren Rausch and I am a science teacher on the Crow Indian Reservation. I would like to comment on the management plan for the Pryor Mountains.

Please designate the wilderness areas in the range. Wilderness areas preserve what is left of our resources in Montana and would still allow most of the 4wd and motorized trails to remain in use. A win -win for those of us who like quiet solitude and wilderness and recreational vehicles.

Thanks, Loren
