Comments: Comment - draft plan - CGNF

I am writing to support the 31 Wild and Scenic eligible streams. I also suggest the Taylor Fork River be added to the list of eligible streams.

I am an avid outdoorsman and prefer paddling the wonderful rivers of the western United States. I like everything from extreme whitewater kayaking, multiday raft trips on the grand canyon, canoeing small side streams, and fishing wherever I can. I am proud of America's tradition of protecting these wonderful places and I hope that you can add to the list of protected waterways in America!

Thanks!
