First name: Carrie

Last name: Eckenhoff

Organization:

Title:

Comments: I strongly urge you recommend Alternative 1 (No Action Alternative) for NFSR 774 and NFSR 780. I am a resident of Miller Ranch in Edwards and I use the Berry Creek area for mountain biking and hiking weekly in the summer. A paved road here along with the necessary additions would change this for all of us locals and decrease our enjoyment of relatively undeveloped places in Edwards to recreate.
