Title:

Comments: I am horrified at the thought of 54,000 areas of land to be exploited for gas mining. Those like you with the power to deny this are supposed to PRESERVE & PROTECT OUR NATURAL RESOURCES, INCLUDING ANY WILDLIFE WHO CALL THIS THEIR HOME. Our world does not need to allow man's GREED & INDIFFERENCE TO CONTINUE TO DESTROY OUR WORLD AND US ALONG WITH IT. This land should be as it is - free of the harm man has and continues to cause. This is the 21st century - find cleaner means of helping us all - and learn to be RESPONSIBLE STEWARDS of our world - AND NOT TO KEEP TAKING AND REPAYING IT WITH POLLUTION OF AIR, WATER, AND EARTH! SHAME ON YOU FOR EVEN CONSIDERING THIS DESTRUCTION!
