Comments: Hello,

I am in favor of the expansion of Golden Peak. In my opinion it is simply an extension of an existing trail and in my opinion does not have any significant detrimental impact visually. This would be a huge boost to SSCV as well as to Vail as a town and community. It would further elevate our position in ski racing as a World class facility.

Vail is connected to two of the Worlds best ski racers and America is getting noticed on a world stage again. We need to capitalize on the existing investment and improve our resort wherever possible.
