Comments: Ski and Snowboard Club Vail is one of the biggest and most powerful ski clubs in the country. This attracts dedicated ski families, talented kids and hard working athletes to our valley and keeps locals pushed, active and committed. The club, the resort and the schools have a tight sense of community as all members have a similar love and passion for snow sports.

Expanding Gold Peak to give the club an even better training facility is an amazing opportunity for both the club and the relationship with Vail Resorts. Vail would be able to hold FIS women's races which brings the best female athletes around the globe to Vail to show the world this epic resort. Let's get this going!!
