Comments: Sir or Madam,

I have driven, camped and hiked this area and find it to be one of the most beautiful areas I have ever been to. What kind of a sadistic, insensitive ignoramus would ever open this area up to drilling, pipes, pollution and aesthetic despoliation? Oh yeah, Trump and Pruitt.

Just drill, baby, drill. Pollute the scenery as we alter the climate with all its negative effects. Ridiculous.

In short, this is a terrible idea and I strongly oppose opening this area up.

Sincerely,

Creig Skau
