Comments: Clearing of Golden Peak

Hello Max,

I'm writing to let you know how opposed I am to the clear-cutting of Golden Peak in Vail in order to create a ski racing facility. Golden Peak is a quintessential Vail view, and cutting down these trees will make the name completely irrelevant. The mountain is huge and has a ski racing course already and lift access, there's no need to clear many acres for what is essentially private use by a few privileged rich kids. With more and more beautiful public lands being privatized every day, let's fight to keep what nature we can intact.
