Comments: Golden Peak expansion

Just wanted to voice my opinion, as a Vail Ski and Snowboard Club member, I would rather not attend the meeting. I am strongly AGAINST the expansion. There are plenty of training venues for the alpine/moguls team. My kids are in the park & pipe program. We manage travel to Breck/Copper everyday. There is no reason to destroy additional forest so they mogul team doesn't have to take an additional ski lift.

NO!
